I would like for all Eagle Singers students to attend 100% of the weekend. I think this is a great opportunity for us to move forward after a year of Covid. This is a time to jump start our group as a close knit community that works well together and supports each other. This will be a weekend of a whole lot of fun, but it will be a little challenging. The end goal is to bond and set a solid tone for the school year together. Expect group bonding, team building, leadership skills and fellowship. Dustin Ousley from Charleston Southern University will be our leader for the weekend and comes highly recommended from other choral and band programs across the state. I am so grateful for our chorus booster club who is supporting this weekend through planning, providing meals and financial support.

Please indicate if you are able to attend by completing the form attached. Please make all efforts to arrange plans to be present if possible... This is very important for our group!

Looking forward to a great year!
